Dear Daniel Zundel

This correspondence is to inform you and the pit crew related to you that you are suspended from the Speedway property effective immediately as a result of the verbal threats directed to a Lorain County Speedway employee and other competitors within the Grand National division which occurred after the feature race on Saturday, April 18, 2015. This probation will remain in full effect for 30 days from the date of this letter.

Please take the time to refresh your memory on our rules and procedures, specifically the ones that caused us to take this action. For your convenience, they are copied below:

15.1 *Rough driving resulting in injury to a competitor or disabling their equipment, **or verbal and/or physical abuse is inappropriate behavior will not be tolerated.** No further warning will be given.*

19.8 *Actions of competitors and pit members considered detrimental to the speedway shall be subject to suspension or be expelled from LCS grounds indefinitely.*

In addition, your qualifying time will not be recognized as a new track record due to the fact that the car never completed a technical inspection after the feature event.

Sincerely,

Nick Giurukis
Race Director
